

Menu

All our meals come packaged wonderfully in a wicker basket with a picnic blanket. In the basket we supply serviettes, champagne glasses (depending on suitability of the venue, these may be acrylic, not glass) and wonderful & colourful finger food that is ready to eat. Our standard picnic basket is for 2 persons unless otherwise arranged. Unless you particularly specify, we will provide our “Regular Fresh” picnic.

Please note, for ALL picnics with horse riding, we will ONLY supply non-alcohol beverages. For picnics without horse riding, you may request regular or alcohol free champagne. If you do not specify, we will automatically do Alcohol Free.
